## **ELECTION OF OFFICERS AND COMMITTEE MEMBERS**

The below-named members have been nominated to join our committee

**Business Secretary: Annie Ralph** - proposed by Sybi Trowsdale & seconded by Rachel Raywood

**Bio:** I've worked in the charity, public and private sector for over 40 years at different levels in administrative roles. My last job with Samaritans involved dealing with the charity's volunteers, preparing and attending training sessions and conferences over the UK. Latterly I was part of a small training team delivering bespoke training to external organisations. I've also worked in primary schools liaising with parents, pupils, staff, governors, contractors and visitors, where I particularly enjoying the 'people' aspect of the role. I clerked to the Governors and managed a small team of non-teaching staff.

Now that I am retired, I enjoy life with my husband and dog and taking part in Ewell Village life, when I'm not knitting or sewing.

**Treasurer: Bob Knight** - proposed by Sue Skelton & seconded by Fiona Bath

**Bio:** Originally from Gloucester, my formative years were spent in Exeter where at school I was determined to become a bus driver, then in secondary school the idea of becoming an airline pilot held greater appeal. I actually found myself at Bristol University studying Economics and Accountancy, obtaining a degree that had no relevance to becoming a pilot! I moved to London where I specialised in insolvency, becoming a Licensed Insolvency Practitioner.

I then moved to a new firm in Milton Keynes to set up an Insolvency Department, after which I returned to London. After working for various firms, I finally retired in 2024 and celebrated by joining u3a.

My present hobbies include horse riding, skiing, reading and have just returned to the bicycle saddle.

Before retiring, she was a Practice Manager for an Occupational Psychology company involving projects in the UK and internationally and subsequently managed estate agencies in Cobham, Oxshott and Leatherhead.
